PARKING INFORMATION

Parking is available on a first come, first served basis at the garage at

One Chicago Square
14 West Superior Street
Chicago, IL 60654

The vehicle entrance and exit drive is on the north side of Superior Street, between Dearborn and State Streets (the same location as the former surface parking lot). Signs will direct you to turn left and head down the ramp to “Archdiocese of Chicago” parking.

Push button at entry gate to receive a ticket. **Take this with you** to be validated at the Quigley Center security desk. (Do not use machines in garage elevator lobby.)

Park in any non-reserved spot on **Lower Level 1** or **Lower Level 2**. These floors **only** are for archdiocesan users.

The **pedestrian exit and entrance** is located on State Street, directly across from Holy Name Cathedral. Walk north 1½ blocks, and east 2 blocks (see map), to reach Quigley Center.

At Quigley Center, **insert your ticket into the validation machine at the security desk** to mark it as validated. Daily parking validation is valid for 12 hours.

Upon exiting the garage, insert the ticket into the slot. If you need immediate assistance due to any malfunction, please contact the garage operator directly at the on-site office. In the event that there are any issues with your parking validation, please report this to the real estate department at realestate@archchicago.org.
