

A photograph of Cardinal Cupich, wearing a black clerical shirt and a grey face mask, receiving a COVID-19 vaccine. A healthcare worker in blue scrubs, a light blue face mask, and blue gloves is administering the vaccine into his left arm. The background is a white wall with the 'SAINT ANTHONY HOSPITAL' logo repeated.

Get the **COVID-19 VACCINE**

Cardinal Cupich and Pope Francis encourage you to get vaccinated against the COVID-19 virus.

Pope Francis, Pope Emeritus Benedict and Cardinal Cupich have already been vaccinated. The vaccines are morally permissible and offer a ray of hope that the world will unite in our common humanity to bring about health and healing.

Get vaccinated as soon as possible – for your own health, for your loved ones and for the common good. Share on social media: #IWillDolt4.

To put your name on a vaccine registry or get more information, visit your local health department's vaccination website:
