Renew My Church - Groupings

The following is adapted from a letter from Cardinal Cupich to parishes on January 21-22, 2017

Renew My Church is an archdiocesan initiative that involves all the people of the archdiocese and their faith communities. The goal of *Renew My Church* is to make our parishes more vital and more sustainable. We do this not on our own initiative but in response to the call of Christ, which was first heard by those disciples recounted in today's gospel (Mt 4:12-23). The call is the same as it was in those early days of the Church: to be His disciples and take responsibility for carrying on His mission in our time. The place to start is by working together to make our parishes vibrant communities that form missionary disciples of Jesus. This will also mean being realistic about our limited human and material resources and evaluating how our present structures may need to be organized differently to keep pace with changing realities.

A very important part of the process of *Renew My Church* are the parish groupings that will work to plan for the future and discern where God is leading us. After receiving consultation and feedback from you, the priests of the diocese, and parish pastoral councils, we are now sharing the groupings. Your parish will be part of a grouping that will enable you to assess, plan, and discern how best to meet the needs of the future in a way that is both reasonable and in conformity with God's will for us.

Each grouping will have guidance for its process of reflection and discernment. Everything, however, begins with building relationships across parishes in a given grouping. That means getting to know each other and perhaps sharing some common projects or events, such as retreats, lectures, or community service for those in need. With future guidance and facilitation, this will develop in more specific planning and discernment directions.
